

Jsmě česká strojírenská obchodní společnost s vlastním výrobním zázemím. Zaměřujeme se především na komplexní strojírenskou výrobu.

Transport

Do you need goods but you do not have the possibility of transport?

Use our transport services. The company KT MetSteel has a fleet with a wide variability of trucks whereby we try to achieve maximal flexibility of supplies for our (your) customers.

Storage

Do you search for the possibility of safe storage of Your goods?

Store your goods at our place! KT MetSteel offers besides complex engineering production and transport services, storage in a workroom in Valašském Meziříčí, too. These are non-tempered spaces with an area of approx. 1500 m² and a handling height of 7 meters.

Storage spaces can be used for both short-time and long-term storage.
