

## STEEL

We supply all kinds of steel including special steel grades throughout the entire assortment.

### Survey of supplied steel:

- Construction steel
- Free-cutting steel
- Reinforcing bars
- Steel for springs
- Case-hardening steel
- Steel for electrical sheets or plates
- Deep-drawing steel
- Steel for heat-treating
- Corrosion-resistant, heat-resisting, and creep-resisting steel
- Tool steel

**Tubes and pipes:** seamless tubes, welded tubes, precision tubes, and threaded pipes according to standards: CSN, DIN, EN, ASTM

### Square tubes and rectangular tubes

**Pipe parts:** flanges, pipe bends, reduction, T-fittings, pressure vessels bottoms, bedding

### Section – bars

**Sheets and plates:** cold-rolled plates, hot-rolled plates, S240 Laser, quarto steel plates, galvanized sheets, anti-slip sheets, ressure vessels plates, abrasion-resistant plates

### Reinforcing steel

**Cut shapes, blocks, cut sizes – snip or cut**

## STAINLESS STEEL

In addition to cut products, we also offer the following materials from stainless steel.

### Survey of supplied stainless steel:

- Austenitic
- Ferritic
- Martensitic
- Duplex (austenitic-ferritic)

**Seamless tubes and welded tubes** according to standards DIN, ASTM, etc..

### Square and rectangular tubes

**Piping parts - fittings:** elbows, reductions, T-fittings, flanges, bottoms, loose flanges

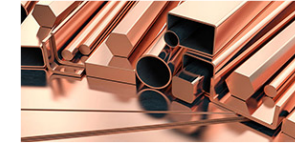

### Sections

### Stainless steel meshes

### Pipe embedding

### Rods

### Plates, cut material, and cut shapes products

## NON-FERROUS METALS

We offer a wide range of non-ferrous metals from various aluminum, brass, and bronze alloys up to cast iron.

### Aluminum, Copper, Brass

**Offered assortment:** sheets and plates, rods, round bars, flat, square, hexagonal bars, tubes, rolls, cut sizes

**Tin bronze**

**Aluminum bronze**

**Leaded bronze**

**Special bronze**

**Offered assortment:** sheets and plates, cut sizes, round, flat, square, hexagonal bars, tubes

**Cast iron**

**Offered assortment:** round, flat, square bars

**Urgent supply of metallurgical material**

**Providers from all around the world**

**Purchase of material**

**Consignment storehouse**

**Any amount**

**Wide assortment**

**Own transport**

**Professional consulting**
